## FOLD & STORE™ CROSS TABLE CR/DR HOLDER

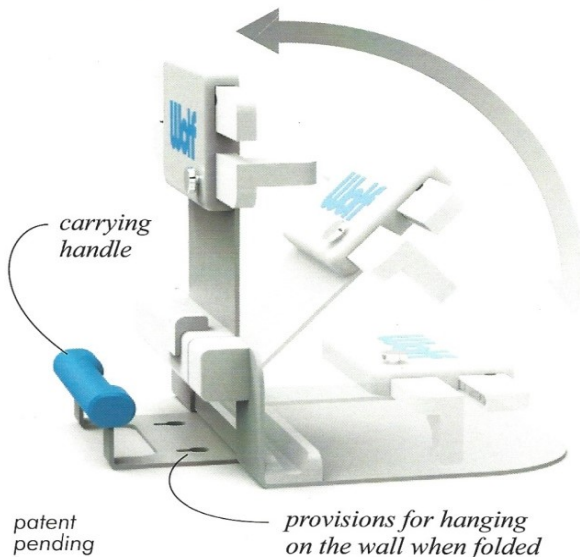

*sliding arm  
lock knob*

*spring loaded  
release slider*

*embedded locking  
hinge mechanism  
with fixed positioning*

With the innovative design of the new *Wolf Fold & Store Cross Table CR/DR Holder*, X-ray personnel will now have a device which can be stored in the OR, in the ER with the portable machine, and in the diagnostic room. It can be easily stowed away in a drawer or can be out of the way hanging on a wall.

***“Finally a cross table device that’s out of the way, and where you want it when you need it.”***

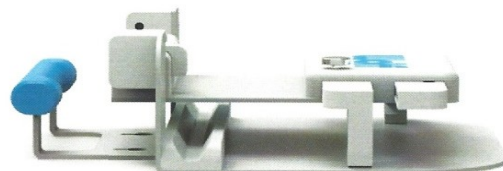

*carrying  
handle*

*patent  
pending*

*provisions for hanging  
on the wall when folded*

- Easily transforms from 11 1/4” to 3 3/4”
- Spring loaded slider locks the position
- Holds all standard CR and DR plates from 8 1/2” to 19 1/2” wide
- Easy carry and storage handle

*low profile (3 3/4”) for  
easy storage*
